I will choose another long distance provider. I understand that I will need to contact Volcano Telephone with that information (CIC code) once I have signed up with another provider. There will be a one-time charge of \$5.25 to add a third-party long distance provider. Please see page 2 (Reverses side) for list of providers.

I am refusing all long distance and understand that I will only be able to make local calls as shown on page 2 according to the telephone prefix from which I will be dialing.

PIC Freeze (No charge) I request that Volcano Telephone place a PIC freeze on my account so my choice of long distance carrier cannot be changed without my specific consent.
